

REGISTRATION REMINDER

Camp Registration takes place on Saturday, March 6, 2010, at 9 a.m. at Lloyd Harbor School. Beach parking stickers will be sold and must be applied by park staff to your vehicle(s).

Suffolk County Dept. of Health mandates that each camper have a physical examination and necessary immunizations before attending camp.

Please be sure that on the day of registration you have:

- **A complete list of immunizations (TWO copies)**
- **A “physical examination form” (TWO copies) dated not earlier than 2009**
- **A completed “emergency contact form” (ONE per family)**

MEDICAL FORMS DATED BEFORE 2009 WILL NOT BE ACCEPTED.

Please be sure that your form includes a doctor's signature and the date of the exam.

Health forms must be reviewed by the camp physician **before** your child can attend camp. Please help us facilitate this process. Without receipt of these forms your child will not be able attend camp this summer.

If you have any questions, please call the camp information line at: 516-501-6950 or e-mail the director at: JbartonLHVP@aol.com .

Please note that we do not retain copies of past medical forms.
