Please note that **all vessels** moored, anchored, or rafted with other vessels must have a current Harbor use permit decal displayed at all times. **You must put your permit number on the upper part of your buoy and the number of the permit issued must correspond to the number on your buoy.**

HARBOR CONTROL COMMISSION
REGULATIONS FOR OPERATION OF VESSELS IN LLOYD HARBOR

In order to share the waters of Lloyd Harbor safely and equably among all interested parties, the following regulations are in force:

- a. The Harbor is divided into a Channel, two Anchorages, a Transient Anchorage, a Ski Area and the Inner Harbor as shown on the chart on the back of this sheet.
- b. All vessels over 16' in length anchored, and all vessels moored or rafted outside of the Transient Anchorage must display a current Harbor Use Permit decal showing that their operators have obtained a Harbor Use Permit from the Harbor Master. Boats without Harbor Use Permit decals will be ticketed.
- c. No vessel may anchor or moor in the Channel or Water Ski Area nor be on a mooring in the Transient Anchorage.
- d. A 5 knot speed limit applied everywhere except in the Water Ski Area when towing skiers. NOTE: Jet skiers are not water skiers and must obey the limit.
- e. Overnight occupancy is prohibited within 300' of m.h.w. and west of the end of the Channel (in the Inner Harbor). Overnight rafting is limited to 3 boats on a mooring or anchor.
- f. Propulsion of any vessel except by hand or sail is prohibited within the Inner Harbor without a permit such as for a dock, mooring, shellfishing, etc.
- g. Any vessel anchored or on a mooring without visible evidence of a current Harbor Use Permit will be ticketed (just like an illegally parked car).
- h. Vessels on a Club mooring are not required to have Harbor Use Permit but must observe the overnight rafting limit and fly the Club burgee.
- i. Lloyd Harbor is a New York State designated "No Discharge Zone" and marine sanitation devices must be secured to prevent discharge in the Harbor.

The Harbor Patrol will monitor Channel 16 when on duty to respond to any calls from boats needing assistance.

Copies of the complete Waterways Law may be obtained from the Village Clerk. Your cooperation will ensure a pleasant boating season for all.
