*****JUNIOR DEVELOPMENT*****

This tennis program for children ages 7-12 focuses on making the sport of tennis fun. The equipment, rules and court sizes are just right for children at different levels of development. The balls bounce lower, don't move as fast through the air and are easier to hit. Racquets are sized for smaller hands and courts are smaller and easier to cover. By using this format, the benefits are immediate and within a short time kids are rallying and excited to keep playing.
