MAYOR'S MESSAGE FROM THE MAYOR & TRUSTEES

Seminary Acquisition New Village Guidebook & Updated Website

MAYOR
JEAN M. THATCHER

Dear Resident,

The year 2026 marks the 100th Anniversary of the Incorporation of the Village of Lloyd Harbor! The Centennial Year is further commemorated for the Village by **the completion of the acquisition of 20.53 acres of land from the Seminary.** The Seminary retains 16 acres of land including its building. The remaining acreage was purchased by New York State using Environmental Protection Agency (EPA) funds. This was a complex, difficult and protracted effort that spanned over four years. **The successful result is a spectacular addition to Village holdings.**

To kick-off our Centennial Year we have also revised and updated our *Village Guidebook* (enclosed) and are launching an updated **Website** (www.lloydharbor.org). Both contain essential information, vivid images and memorialize a brief journey through Lloyd Harbor's rich and fascinating history.

Village Centennial events are in the planning phase. Details to follow!

With best regards,

Jean M. Thatcher, Mayor
