

Incorporated Village of **LLOYD HARBOR**

May 2024

MAYOR'S MESSAGE

**Welcome to the Village of Lloyd Harbor!
A few things you will want to know.....**

We are delighted that you are here, whether you are a long-time resident or recent arrival. We are confident that a key factor in your decision to move to the Village involves your preference to live “here” rather than “there.”

Our Village Staff, private Police & Highway Departments, and the 65 Volunteer Village Officials who staff our seven (7) Boards & Commissions work *extremely* hard to preserve and protect the natural beauty and open land for which our Village is known. We make serious efforts to assure that “here” does not become “there.” To this end we have codes, ordinances and permits that you need to know about if you are contemplating home building, renovation, tree removal or other changes to your property.

MAYOR
JEAN M. THATCHER

Call Village Hall (631-549-8893) for information on items including but not limited to:

- new building construction & renovations
- pool & related equipment installation
- dock & revetment construction
- tennis/ sports court installation
- tree removal & vista cutting
- buffers along property lines
- fencing
- exterior lighting
- Village Park/ beach stickers
- harbor use (mooring)
- RAVE emergency notification

Our Village was incorporated in 1926 and has retained enormous natural beauty. We encompass almost 10 square miles in area, 20 miles of shoreline and are over 30 % in preserved open land. **Over time the Board of Trustees has found that addressing the above items, among others, is both the best way to preserve the beauty and ambiance of our Village, and is of great benefit to the quality of life of our residents.**
