

# LLOYD HARBOR *Village Record*

Winter/Spring 2025

## FROM THE MAYOR...

Winter Season Highlights:

### • “Shop with a Cop”

In December the LHPD joined the Suffolk County PD in the “Shop with a Cop” program. This program brings some holiday cheer to children living in a local homeless shelter, and reinforces bonds with local law enforcement. **LHPD PBA President Officer Kevin Church** and **Officer Richard Pennecke** participated in this excellent program. **The Lloyd Harbor PBA also donated \$1,000** to the event, bringing to \$75 the amount each child could spend. *Read more under “Police Department.”*

**Mayor  
Jean  
Thatcher**

### • Great Job by Our Highway Department!

The Highway Department’s excellent work and dedication during snow (and all!) storms got terrific praise from a Village resident. At 12 midnight on Saturday 2/8, a resident emailed the Mayor:

*“ I just drove home from Port Jefferson in a terrible snowstorm. Smithtown roads were unplowed and driving conditions absolutely awful. When I reached Huntington the roads were plowed and somewhat better. However, when I hit the Village line the roads were amazing and clear all the way to Lloyd Neck. Huge shout-out & thanks to the Highway Crew - I passed many of them out there tonight. Absolutely great job!”*

### • Welcome Spring - See Enclosed Invitation

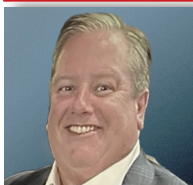

Winter still has a grip on us but the glories of Spring are just around the corner. To celebrate, please join us on **Thursday, March 20, 2025** at The Seminary for an informative and engaging evening. **Nancy Lawson, author of “The Humane Gardener” and “Wildscape”** will present : **“ Is Your Yard Undergrown ?”** Learn how to welcome birds, butterflies, bumblebees and other wonders of nature to your property.

This is the third collaboration between the **Village Conservation Advisory Commission** and **Three Harbors Garden Club** and we are excited to continue this tradition. An invitation is enclosed- please RSVP by Monday, March 10, 2025.

### • Comings & Goings...Welcome Vincent Rielly & Tom Hornosky

**Vincent Rielly, licensed arborist** and owner of Certified Arbor Care, Inc., has joined us as Village Arborist. He is a native of Long Island’s North Shore, and very knowledgeable about our native trees, terrain, flora and fauna. Vincent has provided us with an **excellent list of recommended trees** for replanting, evergreen screening and ornamental uses. **This list is available at Village Hall.**

**Tree Inspector Tom Hornosky** of the North Shore Wildlife Sanctuary rounds out our team. Tom is Warden of Shu Swamp, Mill Neck. He is a naturalist with decades of experience in teaching and the maintenance of preserves.

# POLICE DEPARTMENT

On 12/12/24 the LHPD participated in Suffolk County PD's annual "Shop with a Cop" program. This very popular philanthropic event was held at Walmart in Commack, and brought holiday cheer to 40 children living in a local homeless shelter.

The "Shop with a Cop" program offers families and children the chance to bond and establish relationships with local law enforcement. **LHPD Officers Kevin Church and Richard Pennecke** participated in this very worthwhile program. **The LH PBA made a contribution of \$1,000 which increased the spending allocation of each child to \$75.**

PO Richard Pennecke (L) & PBA President PO Kevin Church (R)

**LHPD Location:**  
(Directional signage in place)  
**440 West Neck Road, Lloyd Harbor**  
Telephone numbers remain:  
**Non-emergency: 631-549-8220**  
**Emergency: 631-549-8800**

## Theft from Huntington Post Office Exterior Mailboxes

**LHPD Detective Dennis Guariglia** has interfaced with the Postmaster on this issue & advises as follows :

- **Put mail in collection boxes before last collection (5 PM weekdays & 1 PM Saturdays.)**  
This prevents mail from sitting uncollected for any period of time.
- **Use a gel-style ink pen when writing checks.**  
Gel style ink cannot be easily erased or "washed", as can happen with ink from a standard ballpoint pen.
- **Parking on Village Roads**  
No parking on Village roads. Exceptions for events can be made by **notifying the LHPD at 631-549-8220**
- **Do Not Text & Drive!**  
Illegal & deadly dangerous - stiff fine & points on license

## RAVE NOTIFICATIONS

The RAVE notification system is used for both emergency notifications & messages of general interest. Going forward, the system will be used to advise residents about contractors performing safety tree trimming in the Village and which contractor will be handling the work. It will also be used for notifications of property tax deadlines & other items of interest to residents.

**Sign up for RAVE notifications by calling Village Hall 631-549-8893. Specify the method(s) by which you wish to be contacted: telephone, text and/or email.**

## LHPD Stationhouse Update

Work continues on this project. A new foundation has been poured and framing has started for the addition of a main office and new locker room for Officers. We expect completion of this project by late summer 2025.
