## — ANNOUNCEMENTS & EVENTS —

### ✓ *Comings & Goings*

We have a number of new faces in Village Hall and the Police Department. Please stop by - our new staff looks forward to getting to know our residents!

### *Village Hall*

*Jill Cervini* has joined us as our new **Clerk/Treasurer**. She comes from Village of Amityville where she was Deputy Treasurer for the past four years. Jill has a strong background in accounting and municipal finance.

*Patricia Angelone* has joined us as our new **Deputy Clerk**. She also comes to us from The Village of Amityville where she worked first in Resident Services and most recently as Tax Collector. *Patty is also a New York State Certified Notary Public* and is happy to assist residents with notarizing documents.

*Mary Safonte* has moved to our Building Department where she serves as Secretary and provides support to **Building Inspector James Siino**.

### *Police Department*

**Police Chief Charles Flynn** announced his retirement in November 2016. Chief Flynn has been a Police Officer for 37 years and has been with The Village of Lloyd Harbor for 32 years. He was in a Supervisory position for 25 years with the LHPD, and was promoted to Chief of Police in July 2009. The early years of his career were in "Plain Clothes" with the New York City Police Department. On behalf of the Village, the Mayor and Board of Trustees thank Chief Flynn for his many years of fine service to our community and send him best wishes on his retirement.

The Village will soon begin the process of reviewing the Department's needs and implement a search for a new Police Chief. In the meantime, the Department will operate, as usual, under the guidance of its senior officers.

## ✓ Last Call!

The Dinghy Racks should now be empty. Any boats remaining on the racks will be removed and disposed of by the Highway Department. *Please remove your Kayaks/Dinghies from the Racks!*

## ✓ Dogs & Electric Fencing

The Village continues to receive a number of complaints regarding electric fences running right along the roadside, allowing dogs to harass walkers, joggers and people pushing baby carriages. We have heard from a number of people who are afraid to walk down certain roads due to menacing dogs. It is easy for a determined pet to break through an electric fence, and equally as easy for a fence to be broken or a collar to have a dead battery. Injuries to pedestrians and to the dog can result. In response to this situation, the Trustees are considering requiring setbacks for electric fences. As with any ordinance, residents will be notified as to any effective date.

## ✓ Boards & Commissions

### Positions Available on the Following:

- **Board of Zoning Appeals (BZA)**  
The BZA meets on a regular basis, the 4th Wednesday of the month, at 6:30 pm. The BZA is charged with hearing applications for code variances and related issues.
- **Harbor Control Commission**  
The Harbor Control Commission meets periodically during the season, beginning late winter and is active through early fall. The Village has 19 miles of shoreline. The Harbor Control Commission is responsible for patrolling these waterways, and interfaces with Harbor Masters in Huntington and surrounding villages.

Residents interested in either of the above positions should contact Village Clerk/Treasurer Jill Cervini at: [jcervini@lloydharbor.org](mailto:jcervini@lloydharbor.org) or Lloyd Harbor Village Hall, 32 Middle Hollow Road with a letter of interest and pertinent resume/bio.
